

# IVYMUC®

## IVY LEAVES DRY EXTRACT COUGH SYRUP 100 mL

### 1- DESCRIPTION:

IVYMUC® Cough Syrup 100 mL is a dark brown oral solution with a sweet herbal taste, naturally-sourced and clinically proven to relieve coughs, loosen mucus & phlegm and alleviate the symptoms of chronic bronchitis.

### 2- COMPOSITION:

Each 100 mL of IVYMUC® Cough Syrup contains 0.7 g of Ivy leaves dry extract, Sorbitol, Citric Acid, Xantan Gum, Potassium Sorbate, Purified Water.

IVYMUC® Cough Syrup is alcohol and sugar free.

### 3- INDICATIONS AND USAGE:

IVYMUC® Cough syrup is a herbal medicine with expectorant properties that promotes the release and elimination of adhered mucus. It is a traditional remedy for coughs. It also helps relieve symptoms of bronchitis and sore throats.

### 4- DOSAGE AND ADMINISTRATION:

To be taken orally.

Shake well before use.

Age (Years)	Dosage
Children below 6 years	2.5 mL 2 times a day
Children between 6 and 12 years	5 mL 2 times a day
Children over 12 years and Adults	5 mL 3 times a day

**Children below 1 year:** Please consult your doctor before taking IVYMUC®.

### 5- SIDE EFFECTS:

Side effects may include:

- Swelling
- Reddening of skin
- Itching
- Trouble breathing
- Nausea, vomiting, diarrhea

The frequency of these symptoms is unknown.

If you get any side effects, talk to your doctor or pharmacist. This includes any possible side effects not listed in this leaflet.

If the symptoms persist for longer than 1 week after taking IVYMUC®, you should see your doctor.

**6- WARNINGS AND PRECAUTIONS:**

Do not take IVYMUC® Cough syrup if you are allergic to the active substance or any of the other ingredients of this medicine.

IVYMUC® Cough syrup contains sorbitol. If you have an intolerance to some sugars, please inform your doctor before taking this medicine.

Do not exceed the recommended dose. Doses higher than those recommended may cause nausea, vomiting and diarrhea. In this case, you should talk to your doctor.

If you forget to take IVYMUC®, do not double the dose.

Do not use IVYMUC® if seal is broken.

**DRUG INTERACTIONS:**

No studies have been performed. No known interactions with any other medicines.

**PREGNANCY AND BREASTFEEDING:**

Tell your doctor if you are pregnant or plan to become pregnant or are breastfeeding.
